MARINE

Another of the US Coast Guard's Fast Response Cutters (FRC) has been supplied and fitted with Wynn Type C Triple wipers with 1000 Series Controller.

The 154'x26.6'x8.5' *Lawrence Lawson* is the 20th FRC delivered by Bollinger Shipyards. It is also the "fourth consecutive fast response cutter delivered with zero construction defects, almost unheard of in the shipyard industry," Coast Guard vice commandant Adm. Charles D. Michel told the commissioning audience.

The FRC's play an important role for search and rescue and port security in the region; the FRC *Joseph Napier*, based at Coast Guard Sector San Juan, Puerto Rico, made a record cocaine confiscation at sea worth \$125 million Feb. 16, the biggest Atlantic bust in nearly 20 years
